December 2008 Vol. 15 No. 12

Message from your Unit President By Pat Reinhardt

Best wishes for a glorious Christmas Season. My wish is for everyone to enjoy good health and live life to the fullest. It goes without saying to enjoy yourselves at the bridge games, win or lose.

Our Fall Sectional was a success and very well run by Charlie Fox and his team of managers. As always the food table is enjoyed by many and is a big drawing card to the success of our tournaments; we thank you Marge Denny and your team of helpers. The Partnership Desk is also a big job and well managed by Shirley and Del Gero. Their dedication is most appreciated. Peggy Cowherd manned the Hospitality Desk in her usual friendly way. We thank Dennis Boomgaarden for all the great banners. The caddies did a terrific job, and Scott Campbell is our great "home-grown" ACBL director. Many thanks to all!!

On Sunday, December 14 we have our annual Christmas catered dinner with bridge included at The Civic Hall in Sun City. This year Scott will be our Director, and he will have the boards prepared for the STAC game of the day. I hope we have two thirteen table sections. Prior to this event we will have a combined board meeting of the old and new boards, and will choose the officers for next year. The new board will be practically the same as this year, with only one person leaving (Bill Wellman) and his replacement is Bob McManus. I wish to say at this time, I have enjoyed nearly two years as your Unit President, but it is time I step down and let another take the helm. I thank all the board members for their support as well as all our members at large. It has been great.

Roland Marsh, Sat Nov.8

Canyon Lake Game

The Sunday Canyon Lake Game is open again. Game time is 6:00 PM sharp. Please be there by 5:45 PM so we can start the game on time.

Hand of the Month: Take-Out Doubles:

Requirements for take-out doubles depend upon HCP and distribution:

An opening hand (generally 12 HCP or more) and at least three cards in the unbid suits [i.e. 4-4-4-1] singleton club) over a 1 club opening bid].

HCP greater than agreed overcall range (i.e. if playing 8-16 HCP overcalls in suits, 17 HCP would be too many HCP to overcall a good six card suit). Instead, double and bid the suit at the next cheapest level.

No-trump distribution hands (i.e. 19-21 HCP and a balanced hand). After the double, bid the next cheapest level of no-trump after responder bids (i.e. 1 - double - pass - 1 - pass - 1NT). The same distribution and suit requirements apply as a direct no-trump overcall.

Note: Doubles which do not meet the above requirements are considered to be **off-shape doubles.**

Conclusion:

No-trump overcalls and take-out doubles should always be disciplined to ensure that a proper contract is reached. Remember that the bid of **PASS** is often the most powerful bid, especially when distribution and/or HCPs do not meet the requirements for a bid or double.

This mini-lesson is presented by Scott Campbell to improve novice/intermediate/advanced bridge technique.
