## Person of the Month

By Pat Reinhardt

Many of you knew June's Person of the Month was Anita Kingsbury from Canyon Lake.

This month's highlight is one of our bridge couples. She was born in Des Moines, Ia, and moved to Southern California at age five. She was an only child. He was born in Red Cliff, CO, the sixth of seven kids and also moved to CA at age five.. He was active in HS sports; football, baseball and wrestling, which earned him a scholarship to Cal Poly. He was President of HS Junior Class. It was after graduation when they were introduced by mutual high school friends. After a short stint in the Navy (Marines) in Korean War, he joined the LA Fire Department. He finished college while with the LAFD and advanced to Task Force Commander before retirement. She was a stay at home mother to seven children (2 boys and 5 girls) active in their various school activities. After retiring from LAFD they moved to Spokane, WA, where he taught school for awhile before joining the State of Washington as a Deputy State Fire Marshall. He traveled all over eastern Washington as an Arson Inspector Specialist.

While in Spokane she joined and began duplicate bridge where she met Margaret Sweeney. Margaret, as a snow bird to the Homeland area, gave our couple glowing reports of the Inland Valley area. After retirement our couple traveled to our area as a snow bird before moving here. Six of their children live in southern California and one lives in Florida with 10 of their total 14 grandchildren. They also have two great grandchildren with another on the way.

This friendly couple is a welcomed addition to our unit and we wish them luck in pursuing their quest towards life master.
